

Australia

30 January 2010:
Australia Day has just passed.....so it's proud to be an Aussie

This story will give you something to think about..

I emigrated to Australia just over 40 years ago - On the ship there were Poms, Italians, Yugoslavs and Greeks, (Note - All European people!!) all looking forward to starting a new life in Australia. I arrived with \$42 in my pocket and that's all I had to my name. Did I put my hand out?? Of course not - I got a job and paid my way just like everyone else who came to this country back then.

Now, it's my taxes that subsidize these people who think they have Gods given right (read Allah) to come here and criticise those of us who have worked for the country we now call home.

If I didn't like what I saw when I got here I would have gone home - they have the same option. If they don't want to become an Australian, they can.GO BACK TO WHERE THEY CAME FROM - WE DON'T NEED THEM HERE!!!

Our Australia

When will this stop,

They want 2 of Their own public holidays, because Christians have Christmas, Easter & good Friday, They force our children to eat Halal Meat Pies and Sausage Rolls from the school canteens, so the Muslim kids can feel more Aussie, we were not consulted about this change, they went ahead and just did it. Our foods are slowly all becoming Halal foods, our cheeses, chocolates even good old Sanitarium Foods

Our Government is ALLOWING this to happen, it has to stop now, while we still have some power to be able to stop it.

Regarding Our National Anthem

I am sorry, but after hearing they want to sing the National Anthem in Arabic - enough is enough. No where or at no other time in our nation's history, did they sing it in Italian, Japanese, Polish, Irish (Celtic), German, Portuguese, Greek, or any other language because of immigration. It was written in English, and should be sung word for word the way it was written.

The news broadcasts even gave the translation -- not even close.

I am not sorry if this offends anyone, this is MY COUNTRY - IF IT IS YOUR COUNTRY SPEAK UP ---- please pass this along I am not against immigration -- just come through like everyone else. Get a sponsor; have a place to lay your head; have a job; pay your taxes, live by the rules AND LEARN THE LANGUAGE as all other immigrants have in the past -- and LONG LIVE Australia!

PART OF THE PROBLEM. Think about this: If you don't want to forward this for fear of offending someone ----- YOU'RE PART OF THE PROBLEM !!!!

Will we still be the Country of Choice and still be Australia if we continue to make the changes forced on us by the people from other countries who have come to live in Australia because it is the Country of Choice??

Think about it!

IMMIGRANTS, NOT AUSTRALIANS, MUST ADAPT.

It is Time for Australia to Speak up.

If you agree -- pass this along; if you don't agree -- delete it!
