

COLONOSCOPY

*All the organs of the body were having a meeting
Trying to decide who was the one in charge.*

"I should be in charge," said the brain, "Because I run all the body's systems, so without me nothing would happen."

"I should be in charge," said the blood, "Because I circulate oxygen all over so without me you'd all waste away."

"I should be in charge," said the stomach, "Because I process food and give all of you energy."

"I should be in charge," said the legs, "because I carry the body wherever it needs to go."

"I should be in charge," said the eyes, "Because I allow the body to see where it goes."

"I should be in charge," said the rectum, "Because I'm responsible for waste removal."

*All the other body parts laughed at the rectum
And insulted him,
So in a huff, he shut down tight.*

*Within a few days, the brain had a terrible headache
The stomach was bloated,
The legs got wobbly,
The eyes got watery,
And the blood was toxic.*

They all decided that the rectum should be the boss

The Moral of the story?

Even though the others do all the work - the ass hole is usually in charge
