

BELOW IS THE **REAL** WINNER OF THE NOBEL PEACE PRIZE!

**Wouldn't it be fitting if this went completely around the world!.....**

John Gebhardt's wife, Mindy, said that this little girl's entire family was executed. The insurgents intended to execute the little girl also, and shot her in the head...but they failed to kill her. She was cared for in John's hospital and is healing up, but continues to cry and moan. The nurses said John is the only one who seems to calm her down, so John has spent the last four nights holding her while they both slept in that chair. The girl is coming along with her healing.

He is a real Star of the war, and the hero of peace.

This, my friends, is worth sharing. Go for it!! You'll never see things like this in the news. Please keep this going. Every person can make a difference in the life of someone even if it is *one little girl*.
