

Thieves™ Essential Oil Blend Products

Thieves Oil Blend was created based on research about four thieves in France who covered themselves with cloves, rosemary, and other aromatics while robbing plague victims. The Thieves proprietary essential oil blend was university tested for its cleansing abilities.

Thieves Products are highly effective in supporting the immune system and good health.* Having the best for you and your family is about being surrounded by all things healthy, natural, and non-toxic.

Young Living is your partner in this pursuit. From the cleaning products you use to the toothpaste in your bathroom cabinet, your home is the place where total wellness begins.

Today, we use this Thieves Blend oil to enhance our immune system, keep us from getting or preventing us from getting sick. Our world is over-run with toxins. Thieves Oil Blend supports the immune system and more. Thieves products deliver positive natural benefits to cleanse, calm and sooth you.

Enough cannot be said about the benefits of this oil. Diffusing Thieves oil helps with home purification. Time to retire the harmful cleaning sprays of yesteryear. Freshen the air in your home, office, or car with non-toxic alternatives such as Thieves oil and other Thieves products.
